

IMMEMORIAL MATH LEAGUE

What is the format of the exam? The Immemorial Math League (IML) is a 15 question, 30 minute mathematics examination held every month. The answers are all integers between 0 to 99. The contest will be proctored over Zoom on the first Sunday of every month at 6:30 PM EST. More details will be sent out by email closer to the date of the competition.

How is the exam scored? Wrong answers are awarded no credit, correct answers will receive 1 point, and blank answers will be awarded 0.5 points making the maximum score 15 points.

What are the awards? The top three contestants will have their name and photos displayed on the website. There will also be a pdf sent out ranking all the participants based on their score. Scores that are the same will be ranked in terms of whoever submitted their answers first.
